## WINTER TRAVEL IN CANADA

---

Each year, Canadian winters welcome hundreds of thousands of international visitors. With countless events and attractions all season, it's no wonder people from around the world come to Canada to enjoy the amazing winter wonderland the Great White North has to offer.

Some notable festivals in February include the Winterlude in Ottawa which sees half a million visitors from across the USA and Canada. Witness amazing ice sculptures, live music events, and skate on the world's largest natural skating rink: the Rideau Canal! If you're visiting the west coast and are seeking adventure, Whistler, BC and Banff, Alberta are home to world-class ski resorts for visitors of all ages and skill levels. Carnaval de Quebec is the world's oldest and Canada's largest winter festival, officially starting in 1955. every year over a million foreign visitors come to Quebec City to experience it. Explore the ice castles, axe throwing, tubing, dog sledding and meet Bonhomme Carnaval, the official mascot of the festival.

## THE AWAYCARE TRUENORTH™ VTC PLAN

---

While the majority of permanent Canadian residents have access to Government Health Insurance Plans (GHIP), it's essential to recognize that visitors do not. At AwayCare, our True North Visitor Policy offers four distinct levels of coverage tailored to the diverse needs of those eager to explore the wonders of the Great White North!

### KEY POINTS TO REMEMBER WITH AWAYCARE'S TRUE NORTH PLAN:

- Single trips are available for trips as short as one day, and up to a maximum of 365 days per policy period.
- Caters to solo travellers, couples, and families.
- The four levels are: Standard, Enhanced, Gold, and Platinum.
- Underwritten by LS Travel Insurance Company as of November 1st, 2023.
- Claims are through Penfield Care Inc. on behalf of LS Travel Assistance as of November 1st, 2023. For claims call 1-833-268-0551 toll-free.

Policy wording for the TrueNorth™ product can be found using the AwayCare portal.
